The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

Classic, low-hours Cobalt bowrider! Cruise at high speed in style!

The 1989 Cobalt 19BR is an absolute classic with a powerful V-8 engine combined with a deep-V hull and Cobalt's legendary engineering to deliver a smooth ride in any conditions.

This 19-foot bowrider is outfitted with a 260 horsepower MerCruiser paired with an Alpha One sterndrive, resulting in excellent power-to-weight for a boat this size.

Cobalt is known as a big-water boat, making it the go-to choice in Tahoe and other big lakes where the wind is guaranteed to generate whitecaps almost every day.

Vintage styling is evident both inside and out of this boat. Teak wood accents, stitched vinyl seating and classic lines mean you'll cruise in style anywhere.

With this boat you'll get yourself a Cobalt, the Cadillac of runabouts, with plenty of life left in it for thousands less than other options from this boat builder.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
