Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Great condition Bayliner! Ready to hit the water and
cruise!

In 1987, Bayliner decided to build the Cobra model
line to provide sportboat enthusiasts with offshore
speed and power.

This Cobra 2250 in beautiful Red is dashing and
elegant, with sexy lines that suggest she's fast, even
while sitting idle.

Bayliner built the Cobra with a Sequential Lift Hull
that combines speed and economy. Its chines are
deeper and inverted, which traps air under the chine
to get the boat out of the hole quicker.

Once on plane, the hull is designed to keep it above
the water for more speed and fuel efficiency. You
also have better handling in rough water conditions.

The Cabin has a comfortable berth to sleep two,

should you wish to overnight on the water.

The U-shaped lounge seating plan offers great entertainment possibilities with a sun pad over the engine compartment.

The Bose and Kicker sound system rocks as well!
