If you're looking for a top-of-the-line fishing boat, you have found her! This 2017 Ranger Z520 DC is not only ready to fish, she is loaded and everything you would expect from Ranger!

Located in Frisco, Texas, this Z520 has everything you'll need for fishing and only has 167 hours on the 250 HP 2-stroke outboard. The boat will reach speeds exceeding 70 MPH at wide open throttle.

The motor is mounted on a jack plate with hot-shot foot pedal controls under the console. This allows the motor to be trimmed to reach the highest top speed possible.

This Ranger has Lowrance GPS electronics, and a Minn Kota Utrex trolling motor, has two power poles, and has been kept in storage. She's ready for the water. A full cover is included.

Great fishing machine - loaded with all the features needed for the serious fisherman!

Plenty of storage space, a fishing pedestal seat that can be mounted in front or back. Live well and plenty of storage for rods and your tackle.
