Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Boston Whalers are legendary for their
positive-floatation hulls. This 28 Conquest is true to
the brand's quality, design, and finish.

The boat has been upgraded with 2007 low-hour
(598) Mercury Verado 250 horsepower 4 stroke
engines. The fuel-efficient engines will provide
plenty of range with the 296-gallons of fuel capacity.

The boat set up for hardcore fishing, cruising or
staying overnight. The cockpit has ample room for
several anglers. There is a live well, two in-deck fish
boxes, and rod holders in the gunnels and transom.
There is a door to bring in the big ones or step out to
the platform to take a dip in the water.

There is a fold-down bench seat in the cockpit, an L-shaped seat for relaxing and the captain has ladder back seat that swivels. Overhead is a large hardtop, that provides plenty of cover from the elements.

The captain will enjoy the well-laid-out helm. There are Mercury LCD readouts and VDO gauges, the recently-installed massive Garmin XSV MFD with radar, and a Rockford Fosgate stereo head unit in easy to reach. The switches light up and for convenience, there is a windlass.

The cabin is ample sized for overnight stays. The forward berth has a drop down table. There is a mid-berth you can sit up in and a wet head. The galley consists of a refrigerator, microwave, sink and stove top.
