Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

2017 Regal ES 2000 bowrider located in Deland,
Florida.

This ES 2000 has low hours and is trimmed out in a
blue and white color combination.

Powered by a 240 HP Volvo Penta 6 cylinder
fuel-injected engine accessed via an easy-lift cover
and includes a Volvo Penta SX drive. This boat has
the upgraded Power Tower option, which lowers the
tower arch at the touch of a button.

The interior cockpit features snap-in gray flooring

and soft seaDek on the swim platform. A large rear-facing sunpad provides easy access to the water, whether for swimming or skiing.

The cockpit features U-shaped seating with storage compartments underneath. Ample bow seating is located forward of the walk-through windshield and also includes storage underneath. The removable table can be changed between bow and cockpit seating or stored away when not in use.

The helm area includes two captain's chairs, instrumentation and Fusion stereo system, including a subwoofer. A second Fusion control unit is located on the swim platform for easy access while in the water.
