21 Pro Skiff powered by a 115HP Mercury with only 150 hours!

Here is a great little skiff/bay boat well equipped for the bays and inshore fishing.

The MAKO Pro Skiff 21 CC rides on the company's Advanced Inverted Vee (AIV) hull with an integrated anti-spray design, allowing her to float in just 10" and providing a dry and stable ride.

A large casting deck with plenty of below-deck storage, a large cooler, and a 28-gallon live well.

The reliable Mercury 115 hp 4-stroke has just 150 hours on it and can propel the boat quickly and economically to your favorite fishing spot.

This boat is ready for new owners and new adventures.
