Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

A great boat, tons of updates, lower hours and trailer included.

Fun on the water and easy to operate. This is a great fishing and cruising boat with nice shade under the T-top, onboard livewell, a good amount of seating and storage. Outriggers too!

Powered by a 200 horsepower Evinrude E-TEC outboard which provides great power and torque.

The seller recently installed a Simrad Go9 fishfinder and GPS screen which is also networked with NMEA 2000 system so can get engine info directly on the Simrad screen. They recently replaced the trim tabs and also installed a stereo system with 6 speakers and a 10 inch subwoofer powered by a 1000 watt amplifier.

There are recently installed LED navigation lights, side lights, a spreader and spotlight.

Peace of mind with dual batteries and there is even an onboard charger.
