Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

graphs. Rod holders, safety equipment and many
extras.

The 2022 Bass Tracker Pro 190 Team Edition is a
top-of-the-line fishing boat that combines advanced
features, durability, and exceptional performance to
deliver an unparalleled angling experience.
Designed with input from professional anglers, this
boat is specifically crafted to meet the needs of avid
fishermen seeking functionality and comfort on the
water.

Measuring almost 19 feet long, the Pro 190 Team
Edition offers a spacious and well-laid-out interior
that maximizes fishing capabilities and passenger
comfort. The boat features a rugged all-welded
aluminum hull that provides excellent durability

while remaining lightweight, ensuring enhanced maneuverability and fuel efficiency.

The deck layout of the Pro 190 is intelligently designed with ample space for casting, reeling, and moving around freely. The elevated bow casting platform offers a stable and secure vantage point for targeting fish, while the large aft deck provides additional space for angling. The boat is equipped with multiple storage compartments, including lockable rod storage, tackle storage, and a spacious live well to keep your catch fresh.

The Pro 190 Team Edition has a Mercury outboard engine, known for its efficiency and power. This boat is capable of reaching impressive speeds, ensuring you can quickly get to your favorite fishing spots. The smooth and responsive handling, along with the advanced hull design, allows for precise control and excellent maneuverability, even in challenging conditions.

Comfort and convenience are at the forefront of the Pro 190 Team Edition. The boat features plush seating with an ergonomic design, ensuring a comfortable ride throughout your fishing adventures. The helm station has a comprehensive set of gauges that allows you to navigate confidently and locate fish.

Additional features of the Pro 190 Team Edition include a trolling motor, multiple fishing rod holders, and a trailer for easy transportation and launching.

The 2022 Bass Tracker Pro 190 Team Edition is a top-tier fishing boat that offers a combination of durability, performance, and comfort. Whether you're a professional angler or a recreational fisherman, this boat provides the tools and features necessary to enhance your fishing experience and make lasting memories on the water.
