	The keygreat customer
	service. We love the marine
	industry and one of our core
	missions is to help raise the
	customer service bar in this
	industry.
	However, the internet has
	completely transformed the way
	we do business. While
	traditional sales principles still
	very much apply (such as
	building a solid relationship
	with the customer, earning their
	trust, adding value, customer
	qualification, etc), how you get
	there is now very different. It
	used to be that a customer
	valued a solid handshake and an
	honest smile. In a traditional
	face to face environment, skilled salespeople could
	qualify a customer based on
	body language, personality
	type, etc. In today's internet
	age, many buyer
