Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Fresh Engines!!! Low hours !!! Ready for the
Bahamas!!!

This Pursuit 3000 Express is ready for the water.

The boat has great looking engines. The ECMs
currently read that they have under 250 hours as of
01/09/2024. They offer great reliability, fuel
economy and powerful 330 horsepower for each
engine. The props have been recently reconditioned.

The boat has a generous swim platform. There is a
transom door that opens into the spacious cockpit.
The cockpit has plenty of room for diving, fishing or
relaxing.

The boat has plenty of rod holders, rocket launchers
and telescoping outriggers mounted on the oversize
hardtop.

The captain has nice set of gauges, switches, dual

Garmin MFDs, VHF and a nice stereo to keep you entertained. The large windshield provides plenty of blockage, there are large side vents to let the air flow thru. For convenience, there is a powerful windlass and shiny anchor.

The cabin is cozy for overnight stays. There is a forward berth, and the table drops down to make a bed. There is a galley equipped with a microwave, sink, refrigerator, and stove top. You can keep cool dockside with the recently replaced 7000 btu air conditioner.

This boat comes with a triple axle trailer with tires that have date codes from 2022.
