Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

This vessel was SOLD on July 10.

Cruise the sandbars or take the crew boarding and tubing aboard a Yamaha 242 Limited S jet boat. This Yamaha is set up for cruising, anchoring, and watersports, and it is available for sale in North Florida!

This 242 makes room for 10 riders to stay all day on the lake, river or bay. Stretch out in the expansive seating in the cockpit and at the bow. The passenger seat folds down to form a flat lounge seat for basking in the sun. The famed Yamaha transom seats are also upholstered on this boat and have a shower and music controls in easy reach.

The 242 brings the sports tower into the picture. The tower folds down with a turn of a wrench for low bridges and storage. A bimini shade is mounted on

the tower for hotter days.

The helm is outfitted with a Garmin GPS-fishfinder, Fusion stereo and a swiveling Captain's chair. SeaDek non-skid flooring is installed throughout the cockpit and on the swim platform. And, the privacy compartment is great for storage, a changing room, or for adding a porta-potty if the new owner so chooses.

The Yamaha is powered by twin 1.8L High Output engines with 360 total HP on the boat.

Don't let this one get away! Call or email with questions, or make an offer to hold the Yamaha!
