V8 5.3L 4 Stroke engines  
(upgraded from Twin 300  
hp Mercury) \$11,529

#### Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

The Jarrett Bay 34 Walk-around-express marks the ultimate marriage of classic Carolina styling and performance with fiberglass processes. The hull is built of solid fiberglass with coring above the waterline to minimize weight and reduce noise. Closed cell foam stringers, bronze thru-hulls and a proprietary electrical

bonding system exemplify Jarrett Bay's focus on structural durability and longevity.

Jarrett Bays are well known for their sharp entry and flat stern which provides a soft, dry ride, a stable platform, tremendous backing maneuverability and easy handling in a following sea. Configured with five fix boxes, the 34' Jarrett Bay is a fully equipped offshore fishing vessel, while providing a comfortable interior with full size stand up head and v-berth accommodations.
