**Accommodations**

Stepping into a large cockpit you see swim platform, transom door and engine access before going into the salon.

Double doors open into the salon where you see galley to port and U shape dinette forward of galley with "L" shape seating across on the starboard

side that also has a pull out bed. Salon has beige carpet, high gloss cherry finish and direct lighting in head liner. Walking forward and down a few steps you have head with large shower stall, vanity with above counter glass sink, single lever faucet, port hole and hatch over head with screen. Two doors access the head, one to the companion way and one to the master stateroom. Across from the head is your guest stateroom with upper & lower bunks, hanging locker with four drawers and a large storage area which you access from a cabinet on the floor. Stateroom has carpet, high gloss cherry drawer fronts, port hole, reading lights and the ability to pull the bottom bunk out to make a double berth. Forward in the bow is the Master Stateroom with island berth, storage under berth with gas struts for easy access and also large pull out drawer under berth. Two hanging lockers with mirror fronts on the port & starboard side of stateroom, reading lights, two portholes, hatch with screen, high gloss cherry finish accent drawers and cabinet fronts. Beige carpet on the floor and on the steps

which surround the island berth. Walking out of the stateroom and looking at the steps you have the ability to raise the steps which gives you a large storage area underneath and to the port side. Bridge has great lounge seating forward of console and to port with two high back padded helm chairs and over head lighting.

### Galley

Galley is "U" shape to port as you come into the cabin. Refrigerator and ice maker are across from the galley to starboard. Two large drawers & four smaller drawers make up the galley with two nice size storage cabinets to fit all your galley needs. Removable cabinet sits at the end of the galley for extra counter space & storage.
