Titre: 72' Hatteras 72 Motor Yacht
Etat de l'article: Occasion
: Hatteras 72 Motor Yacht

Information additionnelle

Description: This is the only 72 Hatteras Motoryacht on the brokerage market featuring an Enclosed Bridge (400k Factory Option) and 1650 CATS (under 100hrs and Extended Warranty through 2000hrs). This unique yacht features a wide, luxurious African Mahogany (optional 80 MY) salon, set between true side decks that make the 72 perfect for the owner/operator. Below decks you'll find a full-beam master with optional his-and-hers head option along with 3 well-appointed guest rooms. A clever aft

compartment is equipped as the Captain's Quarters with Private Head. On the exterior you'll find the Carolina exterior teak package and 13' Nautica tender with 60hp Yamaha 4-stroke, VHF, speed and depth as well as Davit.

Maybe Next Year is a yacht for the discriminating buyer that desires a 72' Hatteras Motoryacht for immediate delivery at 1 Million Dollars under replacement cost!

Please contact Pete Woods at 954-764-4880 or on his cell at 954-646-2088.

Salon

The knowledgeable
owners of "Maybe Next
year" were able to
customize their 72 MY
based on their experience
in building their fourth
new boat with Hatteras.
The salon is like no other
72 on the planet. She was
built to replicate the 80
MY with columns, all
interior doors are "sketch
face", salon day head,
optional mahogany with
satin finish, optional
arrangement with sunken
bar.

• Carpeting

• Padded panel
headliner (installed on
track system for service
access)

• Custom designed
decorative wood valances
with fixed Roman shades
and duettes

• Welded and polished
stainless-steel door to aft
deck opening from center

• Buffet Cabinet

• China cabinet with
mirror

• Step to galley

• Stairwell to lower
utility room and engine
room

• 42" LCD TV with
omni-directional antenna

• Bose® Lifestyle 35

home theater with
AM/FM, CD/DVD and
surround sound speakers
• Sunken bar
w/3-chairs

• Icemaker
• Fixed frameless
windows with tinted
safety glass
• AC and DC lights and
fixtures
• AC dimmable lights
• AC duplex outlets
• Custom sofa with
storage
• Throw pillows
• Air conditioning
dispersed through
decorative valances, port
and starboard
• DC low level lighting
behind toe kick, port side
• Coffee table
• One club chair
• Carbon monoxide
detector
• Smoke detector
• SMX HVAC
compartment controlled
• Formal dining table
with six chairs

Galley
The galley features
gorgeous maple sole,
Subzero double door
stainless refrigerator and
freezer, forward lounge
with table (in lieu of
lower helm station),
dishwash, trash
compactor, granite
counter tops and optional
26" LCD w/DVD TV-

swivel mounted. All appliances are in optional stainless steel.

- Amtico vinyl-strip flooring
- Padded panel headliner (installed on track system for service access)
- Safety glass
- Lighted stairway to lower companionway
- Lighted stairway with finished wood steps and door to flybridge
- Microwave/convection oven
- AC and DC lights and fixtures
- AC dimmable lights
- AC duplex outlets
- Amplifier, speakers, and volume control integrated with Bose® salon stereo
- Lounge with storage underneath and stone table with stainless-steel pedestal
- 29" LCD TV w/DVD

- Pantograph doors with locks, port and starboard, to side decks
- Stone countertops with under mount stainless-steel sink and storage cabinets made of finished wood
- 42" upright refrigerator and freezer with icemaker
- AC four-burner ceramic cook top

- One-half hp continuous feed garbage disposal
- SMX HVAC compartment controlled
- Walk-in pantry starboard side
- Water level gauge
- Storage cabinets
- Smoke detector
- Carbon monoxide detector
- Dishwasher

Day Head

- Amtico vinyl-strip flooring
- Padded panel headliner (installed on track system for service access)
- Wallcovering
- Vanity with stone countertop, sidesplash and baseboards with porcelain under-mount sink (choice of standard stone options)
- Hardwood baseboards
- Plexi mirror above vanity

- Base cabinet to match interior finish with storage
- Towel ring
- Freshwater toilet
- 120 volt AC air freshener blower
- DC light fixtures
- DC low level lights under toe kicks
- AC duplex outlet
- Air conditioning vent
- Holding tank $\frac{3}{4}$ full indicator light

â€¢Mirrored ceiling

Companionway

â€¢Carpeting

â€¢Padded panel

headliner (installed on
track system for service
access)

â€¢Padded panels on
hullside(s) and
bulkhead(s) (installed on
track system for service
access)

â€¢Flush panel door with
door stop to master
stateroom and guest
staterooms

â€¢Lighted stairway to
galley

â€¢DC light fixtures

â€¢Washer/dryer

â€¢Central vacuum

Master Stateroom

The master stateroom is
aft and full beam. She
features optional "his and
her" head, custom HMC
king mattress and custom
wood working over berth.

â€¢Carpeting

â€¢Padded panel

headliner (installed on
track system for service
access)

â€¢Padded panels on
hullside(s) and
bulkhead(s) (installed on
track system for service
access)

â€¢King-sized berth with
upholstered headboard

â€¢Upholstered berth

base

• Polyfoam mattress,
spread, throw pillows,
pillows, pillow shams,
mattress pad and
sheets(E)

• Walk-in cedar-lined
wardrobe with doors and
automatic lights to
starboard and additional
hanging locker to port

• Nightstands with
drawers

• Dressers with
drawers, port and
starboard

• 26" LCD TV
w/DVD

• Bose 3-2-1 GS with
AM/FM and DVD/CD
w/speakers

• Full-length mirror

• AC and DC lights and
fixtures

• AC dimmable lights

• DC low level lights
under berth

• AC duplex outlets

• Private access to head

• Smoke detector

• Carbon monoxide
detector

• Custom designed
decorative wood valance
with fixed Roman shades
and black-out duettes

• Air conditioning
dispersed through wood
soffit over berth

• SMX HVAC
compartment controlled

• Ventilating portlights,
(2) with screen and four
additional fixed portlights

• Sitting area with lounge and storage

Master Head

• Stone flooring

• Padded panel

headliner (installed on track system for service access)

• Wallcovering

• Stone countertop, backsplash, and sidesplash with two undermount sinks

• Stone baseboards

• Stone shower with frameless door

• Storage cabinet with mirror

• Base cabinet to match interior finish with storage

• Towel bar

• Mirrored ceiling

• Freshwater Toilet

• 120 volt AC air freshener blower

• AC and DC lights and fixtures

• DC low level lights under toe kicks

• AC duplex outlet

• Plexi-mirror around forward cabinet and aft bulkhead

• Air conditioning vent

• Holding tank $\frac{3}{4}$ full indicator light

• Additional frameless shower door

• Additional storage cabinet with mirror

• Additional plexi-mirror around upper

cabinet

â€¢Additional towel bar

â€¢Additional

Headhunter freshwater

toilet

VIP Stateroom

â€¢Carpeting

â€¢Padded panel

headliner (installed on
track system for service
access)

â€¢Padded panels on
hullside(s) and
bulkhead(s) (installed on
track system for service
access)

â€¢Queen sized tapered
berth with upholstered
headboard and cedar lined
storage accessed via
pneumatic cylinders

â€¢Upholstered berth
base

â€¢Polyfoam mattress,
spread, throw pillows,
pillows, pillow shams,
mattress pad and
sheets(E)

â€¢Cedar-lined hanging
locker with door and
automatic light, port and
starboard

â€¢Nightstands, port and
starboard

â€¢DC AM/FM stereo
receiver with CD player
and speakers

â€¢Full-length mirror

â€¢AC and DC lights and
fixtures

â€¢AC dimmable lights

â€¢DC low level lights
under berth

- AC duplex outlets
- Private access to head
- Smoke detector
- Carbon monoxide detector
- Air conditioning dispersed through decorative wood valance
- SMX HVAC compartment controlled
- Screened overhead hatch with privacy cover
- Overhead storage cabinets port and starboard
- 20" LCD TV w/DVD

Guest Stateroom Port

- Carpeting
- Padded panel headliner (installed on track system for service access)
- Padded panels on hullside(s) and bulkhead(s) (installed on track system for service access)
- Queen sized tapered berth with upholstered headboard and cedar lined storage accessed via pneumatic cylinders
- Polyfoam mattresses, spreads, throw pillows, pillows, pillow shams, mattress pads and sheets

- Cedar-lined hanging locker with door and automatic light
- Nightstand with drawers
- 20" LCD TV w/DVD
- Bose® 3-2-1 GS

with AM/FM and
DVD/CD w/speakers
• Full-length mirror
• AC and DC lights and
fixtures
• AC dimmable lights

• Smoke detector
• Carbon monoxide
detector
• Air conditioning
dispersed through
decorative valance
• SMX HVAC
compartment controlled

Guest Stateroom 4
Optional
• Carpeting
• Padded panel
headliner (installed on
track system for service
access)
• Padded panels on
hullside(s) and
bulkhead(s) (installed on
track system for service
access)
• Upper and lower
berths with storage under
lower berth
• Upholstered berth
base
• Polyfoam mattresses,
spreads, pillows, mattress
pads and sheets

• Cedar-lined hanging
locker with light
• Full-length mirror
• AC and DC lights and
fixtures
• AC dimmable lights
• AC duplex outlet
• Smoke detector

- Carbon monoxide detector
- SMX HVAC compartment controlled
- 20" LCD TV w/DVD

Guest Heads

- Amtico vinyl-strip flooring
- Padded panel headliner (installed on track system for service access)
- Wall Covering
- solid-surface backsplash, side splash and countertop with under mount sink
- Hardwood baseboards
- Stall shower with seat, sliding door and automatic sump pump
- Storage cabinet with mirror

- Base cabinet to match interior finish with storage
- Towel bar
- Freshwater toilet
- 120 volt AC air freshener blower
- AC and DC lights and fixtures
- DC low level lights under toe kicks
- AC duplex outlet
- Plexi-mirror around upper cabinet
- Air conditioning vent
- Holding tank $\frac{3}{4}$ full indicator light
- Mirrored ceiling

Captains Quarters

Optional

- â€¢ Carpeting
- â€¢ Padded panel headliner (installed on track system for service access)
- â€¢ Padded panels on hullside(s) and bulkhead(s) (installed on track system for service access)
- â€¢ Queen berth
- â€¢ Padded berth base
- â€¢ Polyfoam mattress, spread, pillow, pillow shams, mattress pads and sheets
- â€¢ Washer/Dryer

- â€¢ Cedar-lined hanging locker with doors and automatic light
- â€¢ 15" LCD TV
- â€¢ DC AM/FM stereo receiver with CD/DVD player and speakers
- â€¢ AC and DC lights and fixtures
- â€¢ AC duplex outlets
- â€¢ Smoke detector
- â€¢ Carbon monoxide detector
- â€¢ SMX HVAC compartment controlled
- â€¢ Stairwell from salon
- â€¢ Watertight door from swim platform

Captains Head

- â€¢ Amtico vinyl-strip flooring
- â€¢ Padded panel headliner (installed on track system for service access)

- Wallcovering
- Solid-surface countertop with integral sink and storage cabinet
- Stall shower and automatic sump pump

- Mirror
- Towel bar
- Headhunter freshwater toilet
- Recirculating fan
- AC and DC lights and fixtures
- AC duplex outlet
- Air conditioning vent
- Holding tank $\frac{3}{4}$ full indicator light

Enclosed Flybridge
Optional
This is the only 72 MY in the world with the optional enclosed bridge. There are port and starboard drop down wing panel controls just aft of the enclosed bridge on deck for docking. There is a hatch in the hardtop featuring Ocean Air screen and shade. Finally, extra AC BTU units were specified to keep the enclosed bridge at comfortable temps at all times.

- 240 square foot boat deck
- Systems monitor with programmable logic controller read-out, visual and audible signals for exhaust, temperature,

alternator, battery voltage,
high bilge water, fire
warning in engine
compartment, fire
extinguisher discharge in
engine room, AC power
loss, smoke detectors,
carbon monoxide
detectors, and holding
tank $\frac{3}{4}$ full monitor
â€¢ Molded fiberglass
bridge
â€¢ Welded and polished
stainless-steel rails and
stanchions
â€¢ Elevated L-shaped
lounge with storage to
starboard
â€¢ Stone table with
stainless-steel pedestals
â€¢ Fixed frameless
windows with safety glass
â€¢ Double FB grille

â€¢ Intermittent electric
windshield
wipers/washers with
controls
â€¢ Padded vinyl chart
flat
â€¢ Forward control
station with all necessary
switches, single-lever
electric clutch and throttle
controls, synchronizer,
back-up controls, power
assisted steering, compass
and electronic console
â€¢ Carpeting
â€¢ Dry bar with
refrigerator, icemaker and
storage
â€¢ 32" LCD TV with
DVD
â€¢ DC AM/FM stereo

receiver with CD/DVD
player and speakers
â€¢Hinged door
â€¢AC duplex outlets
â€¢Padded panel
headliner (installed on
track system for service
access)
â€¢Storage lockers, port
â€¢Carbon monoxide
detector
â€¢Smoke detector

Electronics and
Navigational Equipment
The helm station on the
72 Hatteras is generously
outfitted with electronics.
The area has ample
visibility on both sides as
well as down to the bow
and foredeck through the
large windshield. For easy
maneuvering around the
dock, there are three sets
of backup/wing controls:
two on the boat deck port
and starboard and one
below on the aft deck. All
are equipped with
throttles, gears, and bow
thruster joysticks.

â€¢Closed circuit TV (6)
â€¢Simrad AP-28
autopilot
â€¢Raymarine G170
(17â€²) GPS plotter and
Radar(2)
â€¢Garmin 5280 GPS
Chart Plotter
â€¢ELBEX video
monitoring system with
flybridge processor,
remote control, and both

aft deck and engine room
compartment telescoping
cameras
• Hatteras digital
engine displays
• ACR spotlight point
pad
• Bow thruster control
• TRAC digital display
for stabilizers
• ACR RLB-35 G-Fix
EPIRB (S/N 4433)

• (2) Icom IC-M604
VHF radios at helm
• KVH M7 TracVision
satellite reception system
• (5) separate DSS SAT
receivers
• Newmar loud hailers
(board and apt)
• Furuno RD-30
multifunction digital
displays with depth, water
temp, air pressure, air
temp, humidity, wind
speed, wind direction,
vessel speed, etc.
• Ritchie powerdamp
dash mount compass
• Clarion stereo
• Weather works
system

Sport Deck

• Molded fiberglass
with non-skid sole
• Freshwater wash
down outlet with hose
connection and Hatteras
patented quick disconnect
• Welded and polished
stainless-steel railing
• Molded-in fiberglass
steps with DC lights to aft

deck Cleats (2)

• Swim platform with re-boarding ladder

• Watertight door to utility room and engine room

• Underwater lights

• Transom bustle hoop rails

Engine Compartments and Bidge

• Water manifold with centralized shut-off valve for sinks and showers

• Pultruded fiberglass rudder shelf with stainless-steel rudder tie bar

• AC fluorescent lights

• DC lights

• DC ventilation blower

• Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers

• FM200 fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals

•

U.L. Marine listed fiberglass fuel tanks constructed from fire retardant resin with bronze fittings and

coated with fire retardant
paint

â€¢

Fiberglass water tanks,
constructed with bronze
fittings

and materials which
comply with the
requirements of
Title 21 for food and
drugs.

â€¢Sewage holding tank
with 230 volt AC sewage
pump, plumbed for
dockside pump-out with
¾ full display and alarm
as part of systems monitor
programmable logic
controller

â€¢CAT manual gauges
in engine room

â€¢Optional 1650hp
CAT engines

Engine Compartments
and Bidge Continued

â€¢Two 27.5kW

freshwater-cooled

Electronic Quiet Diesel

Onan generator(D) with

shock mounts, sound

enclosure, seawater

strainer, remote start,

fuel/water separator, hour

meter and water lift

muffler

â€¢Pressure and

â€¢ Back up FW pump
â€¢ AC Back up pump
â€¢ Wired for later
installation of water
maker
â€¢ Stabilizers (American
Bow Thruster)

Electrical System
â€¢ 230 volt AC 30
gallon electric water
heater in engine room, 20
gallon electric water
heater in forward bilge
compartment
â€¢ Two 24 volt banks of
heavy-duty, 12 volt
marine batteries (4)
mounted in fire retardant
fiberglass boxes
â€¢ U.L. 1426 listed boat
cable, tin coated with
insulation

- Gel/lead acid compatible 240 volt automatic programmable battery charger, 50/60Hz
- Automatic battery paralleling system with switch at control console
- Two 240 volt, 100 amp, transformer connected retractable shore cords with over-current protection and wireless remote control (bow deck)
- AC and DC lights and fixtures
- Battery control panel with fuses and isolation switches

- DC electronics panel with magnetic circuit breakers (flybridge)
- AC and DC distribution panels with magnetic circuit breakers
- AC switching panel with source selector switches, digital volt meter, ammeter, frequency meter, generator start/stop controls, voltage boost tap switch and interlock selector breakers
- Navigation lights, certified to United States Coast Guard and ABYC specifications
- Ground fault protection on AC receptacles and lighting circuits
- Air conditioning, 90,000 BTU, with

reverse-cycle heating,
with A/C compressors,
individually controlled by
SMX controls in each
â€¢TV antenna,
omni-directional
â€¢Air conditioning back
up water pumps

Hardware & Miscellaneous

â€¢Wood bulkheads,
cabinetry and trim with a
satin or high-gloss
polyester finish in cherry
or African mahogany
â€¢All hardware polished
chrome with brushed
chrome in galley
â€¢Welded and polished
stainless-steel anchor
chute and roller
â€¢90-pound plow
anchor and deck hawse
pipe
â€¢Windlass, 3,500
pound electric with 300
feet of acculoy hot dipped
galvanized chain with
deck mounted control
switches
â€¢Dual prop bow
thruster, 32hp hydraulic
â€¢Six polished
stainless-steel springline
cleats with chafing strips,
through bolted in
aluminum backing plates
â€¢Polished
stainless-steel bow cleats,
through bolted in
aluminum backing plates
â€¢Polished
stainless-steel stern cleats,
through bolted in

- aluminum backing plates
- Welded and polished stainless-steel rails on bow, side-deck and flybridge, drilled and tapped in aluminum backing plates
- Fog bell
- Dual air horns
- Zincs on rudders and shafts
- Stern staffs with ensign
- Black braided mooring lines (6)
- Auto water fill system
- Optional "hoop" deck rails

- Alloy 22 high-strength propeller shafts
- Manganese bronze dripless rudder seals
- Dripless shaft seals
- Life jackets (8)
- Life ring
- Portable
- drychem fire extinguishers (7), U.L. approved type in compliance with United States Coast Guard and ABYC standards
- Stainless-steel trim tabs
- Integral manganese bronze struts
- Stainless-steel rudders
- 8-blade propellers, Nibral high performance
- Marquipt Tide Ride eight step sea stairs with storage brackets

- Walk around side decks
- Forward sun pad with multi-position adjustable backrest
- Central vacuum, 2 outlets
- Davit, 1500 pound, fully hydraulic
- Holding tank with sewage pump and overboard discharge
- Black fenders (4)
- Deck plates for fuel and water fills and waste pump-out
- Heavy duty engine couplings
- Engine and generator exhaust exits through hull side near transom
- Generator exhaust, water separator
- Carpet runners throughout

Exterior Finish

- Isophthalic gelcoat, exterior layer
- Blister resistant vinylester resin in hull bottom skin coat
- Hull and superstructure linear polyester/polyurethane coating
- Polymer/copper based anti-fouling bottom paint
- Boot stripe, linear polyester/polyurethane coating
- Decks, non-skid surface, polyurethane paint with polymeric beads

- Resin infused solid fiberglass hull bottom
- Hull sides and superstructure laminated with
- PVC foam core
- Resin infused fiberglass stringers
- Steel laminated in stringers at key locations to bolt engine mounts
- Engine room bulkheads and decks of resin-infused composite construction using PVC foam core with layers of fiberglass laminate on each side

Localisation

Ville: Fort Lauderdale, FL
