Fresh Water Tanks: 1  
(265 Gallons)  
Fuel Tanks: 1 (1515  
Gallons)  
Accommodations  
Number of cabins: 3  
Number of heads: 3

Accommodations  
Entering the yacht via the generous molded swim platform there are steps to the aft deck on the starboard side. The aft deck has built-in seating aft, a table, steps to the port and starboard side decks and stairwell steps to the flybridge to starboard.

The main salon is entered through a sliding stainless steel door. The open deck plan makes for a feeling of spaciousness that flows from the salon through the galley and dinette right up to the centerline lower station controls.

Steps next to the lower station lead to the three staterooms, each with ensuite bath. The master

stateroom is midship and full beam (unlike four cabin versions). The VIP guest stateroom is forward and the twin berth cabin is to port. The flybridge is accessed via inside stairs as well as those from the aft deck. It features a fiberglass hardtop, clear enclosure and is fully air conditioned.

#### Main Salon

The salon features high gloss cherry woodwork that continues throughout the vessel's interior.

To starboard is a custom convertible L-shaped sofa that was restuffed with Down feathers in 2011. To port are two upholstered club chairs flanking the new custom pop up TV. Special stemware cabinets and liquor storage in clear Lexan cabinetry. Duet blinds in recessed pockets are bordered by wood valances. The cool air from the air conditioning system is delivered via decorative valances port and starboard

Also in this area are steps to the galley and pilothouse area, Polk stereo speakers, ample AC and DC light fixtures, AC duplex outlets, a Whisperwall headliner,

DC low level lighting  
behind salon valances,  
smoke and CO detector,  
digital SMX air  
conditioning controls and  
an entertainment system.

#### Galley

The galley is open to the  
salon and three steps up to  
the port side. The  
flooring is Amtico strip  
flooring. To starboard  
there is a pantograph style  
door to the starboard side  
deck. The Galley itself is  
U-shaped facing aft. The  
equipment includes;

(3) Sub Zero under  
counter refrigerator  
drawer units  
(1) Sub Zero under  
counter freezer drawer  
units, one w/ icemaker  
Kitchen Air 4 burner  
ceramic cook top  
Insinkerator 1/2hp  
Garbage disposal  
Sharp Carousel  
microwave convection  
oven built-in above  
countertop  
Cherry finish cabinet  
doors above & below  
countertop  
Storage drawers w/ cherry  
finish  
Water level gauge  
Solid countertops with  
bull nose edge  
SMX air conditioning  
controls  
Ice Maker  
Smoke and CO detectors  
Fisher Paykel single

drawer dishwasher  
Dimmable AC lighting  
and rope lighting  
Under mount Franke  
stainless steel sink w/  
removable spray faucet  
Stereo speakers

To the port side is a raised  
dinette area for up to five  
with four drawers and  
additional storage below.  
Steps to the flybridge are  
just aft of the dinette on  
the port side.

Companionway: From the  
starboard side of the  
Pilothouse area are curved  
steps leading to the area  
below decks. Both the  
walls and headliner are  
covered in Whisperwall  
panels. Just a few steps  
down are three large  
pantry cabinets for the  
Galley and another  
cabinet door accesses the  
area behind the helm.

There is a stacked  
Whirlpool washer/dryer  
behind a door at the base  
of the stairs. The steps  
have step lights, handrails  
and a carpet covering.

The bottom two steps lift  
up to reveal additional  
storage. The yacht's Vac  
Magic central vacuum  
system is hidden within a  
cabinet.

**Master Stateroom**

The full beam Master  
Cabin is centerline in the  
yacht affording the best  
ride and most quiet area

to sleep featuring a tapered king size berth - - with new Zeno mattress and bedding 2011, off the aft bulkhead on centerline. The headboard is upholstered as is the base of the berth. To both port and starboard are three drawer nightstands. Reading lights are built into the soffit above. Generous two-shelf storage lockers are both port & starboard. Banks of drawers (six each side) are both port and starboard finished in high gloss cherry. Next forward are twin two-door cherry faced hanging lockers with cedar lining and an auto light within. Fluted wood valances with fixed Roman shades and duettes cover the port and starboard portholes. Custom built-in safe in port side cabinet, Air conditioning is delivered through decorative fluted wood cornices both port & starboard. Also in this cabin are Polk audio speakers with volume control, both AC and DC light fixtures, a New Flatscreen TV built into the bulkhead at the foot of the berth, rope lights under berth, a full length dressing mirror, smoke and CO detectors, Whisperwall headliner, a local Panasonic stereo

receiver with CD/DVD player and SMX digital air conditioning controls. Master Head Accessed from the Master is the private Master Head. The sole is Amtico flooring in a teak and holly design. The cherry vanity has storage below and a solid surface counter with under mount sink and a single lever faucet. The area above the sink is mirrored with special lighting and cherry medicine cabinets fore and aft. Headhunter system, full tub/shower. Also in the head is ample lighting, an exhaust fan, and AC vent, holding tank  
¾ full light, rope lighting beneath the toe kick and mirrored overheads.

#### VIP Stateroom

VIP Stateroom is all the way forward with queen size centerline berth - - new Zeno mattress and bedding 2011 - - with rope lighting below. The upholstered headboard sits atop a mirrored bulkhead with an access panel to the chain locker forward. Overhead is a screened deck hatch with privacy shade for both ventilation and emergency escape. The berth itself raises on pneumatic cylinders to reveal a cedar lined storage area. Cherry

nightstands are built into the hull sides both port and starboard. Above are four each side storage cabinets finished in high gloss cherry topped with a fluted air conditioning delivery valance. At the foot of the berth on both the port and starboard sides are twin cedar lined hanging lockers with auto light. Also to port is a Sharp Aquos 20" LCD TV built into the bulkhead. To starboard is access to the private VIP Head. VIP Stateroom Head Accessed from the VIP Cabin is the Head. The sole is Amtico vinyl planks. The cherry vanity has two doors below the boat front solid surface countertop with under mount sink and single lever faucets. Two mirrored medicine cabinet doors are above the sink. The toilet is a freshwater Headhunter jet head. The stall shower has a clear Plexiglass curved door, seat, handheld or wall mounted shower fixture and an automatic sump. There are AC and DC lights, an AC exhaust fan, air conditioning outlet, rope lights at the toe kick, holding tank  $\hat{A}^{3/4}$  full indicator light and a mirrored overhead.

Guest Stateroom 2  
Guest Stateroom port

entered via door at the base of the lower level companionway. Entering from the forward end the twin lower berths with upholstered headboards run fore and aft. Between the berths is a three drawer cherry nightstand. At the foot of the outboard berth is a cedar lined hanging locker with auto light. Built into the closet bulkhead is a 20" LCD TV. Also in this cabin is a full length mirror, Polk stereo speakers with volume control, air conditioning dispersed through a fluted wood valances, CO and smoke detector, Whisperwall headliner, fully mirrored aft bulkhead, AC and DC light fixtures and SMX air conditioning controls. A private entrance to the third head is forward. Stateroom Head With its dual access doors the Port Guest Head located just forward of the base of the accommodations stairs also serves as the Day Head. The sole is Amtico. The cherry vanity has two cherry doors below the bow front solid surface countertop with under mount sink and single lever faucet. Two mirrored medicine cabinet doors are above the sink. The toilet is a freshwater

Headhunter jet head. The stall shower has a clear plexiglass door, seat, shelf, light, handheld or wall mounted shower fixture and an automatic sump. There are AC and DC lights, an AC exhaust fan, air conditioning outlet, rope lights at the top kick, holding tank  $\frac{3}{4}$  full indicator light and a mirrored overhead.

Remarks

Varsity Jacket represents the perfect example of the popular 64 Hatteras. Platinum warranties through 2013 on Cat C-30's, enclosed air-conditioned flybridge, extensive electronics and only 1000 hours make Varsity Jacket a must see for Hatteras buyers! Owner taking delivery of new 80' in May. Anxious!

#### Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

This magnificent 64 Hatteras MY is the 10th in the VARSITY JACKET fleet of vessels owned by a most discerning yachting enthusiast. Her condition is flawless--maintained by full time Captain & Stewardess. Available to make way for delivery of

new vessel in May. Most seriously for sale. Trades welcome. Located Ft Lauderdale. Truly a pleasure to show.
