Accommodations

Entering "ENDLESS
SUMMER" from the
starboard side on the
MAIN DECK, the foyer
will lead you aft to the
extremely spacious MAIN
SALON and formal
dining area. Looking all
the way aft there are two
(2) upholstered occasional
chairs with ottomans.
Moving forward one finds
two (2) comfortable sofas
on both sides facing each

other with cocktail tables, creating a casual conversation area. A flat screen TV hidden (raised and lowered by remote) in a cherry wood buffet with granite countertop separates the salon from the dining area. The dining table with glass top accommodates ten (10) guests.

Forward to port is the open GALLEY with plenty of storage and Corian countertops and is very nicely appointed with high-quality professional appliances. All equipment is stainless steel and features ample seating in the U-shaped dinette nook, which is perfect for a casual breakfast or lunch. To starboard are the stairs leading to the CREW'S QUARTERS.

Moving forward is the on-deck MASTER STATEROOM with centerline custom California bed with an upholstered headboard, a desk and a settee.

Dressers and nightstands are Madrona Burl veneer with solid cherry edges. Other features include walk-in cedar-lined closet, drawers under the bed, and recessed lighting. The master bathroom has Crema Marfil marble tiles,

Whirlpool bath, separate enclosed shower, his and hers vanities with Kohler sinks and separate heads. Moving aft from the MASTER STATEROOM along the starboard companionway is the on-deck head, then further aft the staircase leads down to the four (4) GUEST STATEROOMS located just off the foyer equipped with laundry facilities. Each stateroom is elegantly decorated and has an ensuite bathroom with enclosed shower. The two (2) VIP STATEROOMS have California king size beds. The other two (2) GUEST STATEROOMS have twin beds, which can be converted to queen size beds.

Leading aft from the MAIN DECK through double stainless steel doors is the beautiful and spacious AFT DECK, which is one of the best features of "ENDLESS SUMMER". A large teak circular table that seats six (6) guests, occasional chairs to port and starboard, as well as full bench seating across the transom, all of which is protected by the aft deck overhang. On the port forward corner is a very comfortable walk-behind, full service bar with

icemaker and refrigerator, and bar stools. Starboard and forward is the molded staircase which leads to the UPPER DECK aft of the SKYLOUNGE. Aft of the UPPER DECK IS THE BOAT DECK area with tender, water toys and davit.

The UPPER DECK features an L-shaped settee and a 6-8 person Jacuzzi. The FLYBRIDGE is accessed via a staircase.

Entering through a sliding door is the SKYLOUNGE with comfortable L-shaped seating, game table with four (4) chairs, bar with two (2) stools and on-deck head. The large windows provide a panoramic view while cruising or at anchorage.

Forward of the SKYLOUNGE is the PILOTHOUSE with raised semi-circular seating area for all guests to enjoy the view while cruising. All the way port is the NAVIGATION STATION. There are wide walk-around side decks to the SKYLOUNGE and PILOTHOUSE with pilothouse doors and a staircase centerline going forward and down the foredeck where there is a circular seating area (nook) with excellent

visibility while cruising.
The SUN DECK features two (2) built-in seating areas forward, a wet bar and barbeque and a large sun area with adjustable chaise lounges.

The CREW AREA is accessed from the GALLEY and consists of three (3) staterooms with ensuite heads, which are forward, and a large crew lounge. An additional ENGINEER'S/CAPTAIN'S QUARTERS is located aft with a private ensuite head.
