Vessel Walkthrough

"Waterford" represents the most immaculate and finest Hatteras Custom Yacht currently available. She features a full beam Main Salon and a high gloss finished maple wood interior.

Furnishings are Biedermier style, and the interior was designed by Los Angeles based Thomas Achille.

Accommodations

Owner and Guest staterooms are located amidship and are accessed from the lower foyer.

From the main deck foyer a spacious staircase leads to the lower foyer. The stairs and lower foyer are carpeted and trimmed with beautiful marble. In addition to the four

staterooms, a linen closet and washer/dryer are located here. The three (3) guest staterooms are forward in this mid-ship section.

Double maple doors with accents open from the foyer to reveal the full beam Master Stateroom. an island king berth is on the centerline with bureaus port and starboard and a vanity to port. The walk-in cedar closet is forward to port. This closet also conceals the ship's safe. The entertainment center features a 27" Mitsubishi television, Mitsubishi VCR, CD, Sony stereo receiver, Sony cassette player and a Sony CD changer. There is also an independent Hughes DSS satellite television receiver. The "his and hers" master head is aft and spans the full beam, separating the engine room noise. Features include mirrored overheads, shower with seat, a jacuzzi tub, bidet and private Microphor freshwater flush toilets. Emperador bronze and greystone marble adorn this area. The master stateroom also has provision for secure storage areas, should an owner consider offering the yacht for charter or

owners secure items while away.

To port and starboard, sharing one half of the full beam of the yacht, are mirror image staterooms with island queen berths.

The staterooms have private heads with Microphor freshwater flush toilets and shall showers. Both queen berths are equipped with hinge-type storage, allowing large storage areas beneath the bunks, suitable for hard luggage or golf clubs. Each stateroom has its own motif, including window treatments, upholstered headboards, walk-in cedar closets, nightstands, six drawers and flush-mounted TV/VCR/DVD and AM/FM/CD stereo. The third guest stateroom offers twin beds and has a flush-mounted TV and AM/FM/CD stereo. A private head with stall shower and Fountainhead countertops are here, as well.

Salon

The Main Salon features 6'7" headroom and plenty of natural light. The aft bulkhead features full fixed glass floor to ceiling panels. The lush interior was designed by Thomas Achille of Los Angeles and features a Biedermeier

inspired look with a simple and classical style in high gloss finish. Other features include:

- (2) chenille-covered sofas
- (2) club chairs
- (2) occasional chairs with recliners (04/05) & coordinating custom end tables with lamps
- A game table & (2) chairs to port with discreet telephone & computer line connection
- An onyx granite coffee table
- An octagonal soffit with compass rose motif overhead - the high gloss finished compass rose is constructed of maple, satinwood & mahogany

underwater lights

Remarks

"Waterford" represents the finest custom Hatteras currently available! Her custom interior was designed by Thomas Achille of Los Angeles and features maple joinery, rich fabrics and imported marbles throughout. Her accommodations feature a four-stateroom layout, two crew cabins forward, an oversized salon, aft deck and a large galley. Generous outdoor areas are provided on the flybridge and the foredeck. In addition, the vessel was completely repainted in Awlgrip Matterhorn white in 2002, and a Pipewelder's custom hard top was installed in 2006.

Exclusions

â€¢(2) Gray

Waverunners
