Περιγραφή:	<p>This large motor sailing yacht sleek lines were inspired by the beauty and elegance of an Ottoman queen. She was built in 1994 by Karadeniz boatyard in Tuzla Istanbul and completely refitted throughout 2002/2006. Her classic lines disguise a thorough bred modern yacht. She benefits from her brand new, up-to-date sailing gears and navigational systems. A stunning interior with elegant and stylish accommodation, incorporating a subtle mix of the traditional sailing yacht and a contemporary motoryacht with an illuminated interior design. She has two dining areas on deck. The cockpit is permanently covered by an awning, affording the perfect refuge from the sun, wind and spray . She has an exceptional for 6+1 guests cabins cruising. Sleeping 12 to 14 guests, she is very spacious with a comfortable and relaxing ambiance. Her friendly and professional crew</p>
