Common

Title: 54' Bertram Convertible
 Condition: Used
 Model: Bertram Convertible

Additional information

Description: 54' Bertram Convertible
 • Year: 2009
 • Current Price: US\$ 1,995,000
 • Located in Miami, FL
 • Hull Material: Fiberglass
 • Engine/Fuel Type: Twin diesel
 • YW#: 77276-2286955

Additional Specs,
 Equipment and
 Information:

Boat Name
 Lady Mary
 Specs
 Builder: Bertram
 Designer: Bertram

Yachts/Zuccon

International Project

Hull Shape: Deep Vee

Dimensions

LOA: 54 ft 0 in

Beam: 17 ft 10 in

Maximum Draft: 5 ft 5 in

Bridge Clearance: 14 ft 0
in

Engines

Engine Brand: Caterpillar

Engine Model: C-32

Engine Type: Inboard

Year Built: 2009

Dimensions

Displacement: 83737

Engines

Total Power: 1676

Tanks

Fuel: 1524

Fresh Water: 225

Holding: 55

OPTIONAL

EQUIPMNET

â€¢Cockpit:

â€¢Icemaker, Eskimo, for
cockpit fishbox

â€¢Lighted Bertram

**Hull, Deck and Flybridge
Construction**

â€¢Deck: hand laid-up
molded fiberglass hull
with solid core and
sandwich construction

â€¢Flybridge: hand
laid-up molded fiberglass
and sandwich
construction

â€¢Hull: hand laid-up
molded fiberglass, solid
bottom with vacuum
bagged cored hullsides,
solid keel and chines

â€¢Solid fiberglass hull
bottom. Hull sides &
superstructure laminated
with high density foam.

â€¢Hull sides above
waterline - vacuum
bagged with divynycell
core

Hull

â€¢ Ball seacocks on all underwater thru hull fittings, all with electrical bonding

â€¢ Bertram dark blue waterline stripe

â€¢ Bottom paint with primer coat and 1 coat dark blue anti-fouling paint

â€¢ Common drain system

â€¢ Freshwater Tank: injection molded

â€¢ Fuel Tank: FRP, zero trim effect (midship mounted) with fuel level sight glass

â€¢ Holding tank: with liquid level monitors and plumbed for dockside pump out

â€¢ Underwater exhaust muffler system

â€¢ Recessed transom swim/emergency steps

â€¢ Recessed trim tabs, Electro-hydraulic

â€¢ Sump tank with automatic pump-out for shower and sink

â€¢ Zincs, transom mounted

Deck

â€¢ Integral bow pulpit with stainless steel chute and roller

â€¢ Anchor locker

â€¢ Anchor windlass: electric with deck mounted foot controls

â€¢ Anchor: Delta 55 lbs. with chain and line

accent pin-stripe
- Compass
- Console handrails,
port, starboard and
forward
- Distribution panel in
locker
- Seating: Teak helm
and companion pedestal
seats
- Seating: U-shaped
lounge forward of helm
- International
navigation lights
- Molded footrest for
helm seat
- Storage: molded
under lounge for life raft,
console, molded starboard
side

Engine Compartment and
Fuel Systems

- Twin diesel turbo-charged, fresh water cooled main engines with marine gear, engine driven alternators, water separators/ fuel filters, & exhaust mufflers
- Aquamet shafts
- Bronze rudders and struts
- Air intake, hull sides
- Dripless shaft seals
- Dual fuel filters-main engines (4 total)
- Emergency engine shut-down system
- Trolling valves
- Acoustical and thermal insulation in the engine room
- Vibration dampening isolators for engines
- Automatic/Manual blower system for engine room
- Bilge pumps (4); (3) auto/manual, (1) auto only
- Electric Hot Water Heater: 11 gal
- Emergency bilge water evacuation system, engine driven
- Engine and machinery room lighting AC & DC
- Engine room access ladder (removable)
- Fixed fire extinguishing system for engine and machinery rooms with automatic and remote manual controls plus audible and visual discharge signals
- Fuel filters on

generator supply
â€¢Generator: 15.5 kW
freshwater-cooled, remote
start diesel generator with
exhaust muffler and
sound shield (Generator
may not supply power for
all standard, optional and
owner-added equipment.
Power management may
be required.)
â€¢Hi gloss polyurethane
finish
â€¢Hydraulic steering
with power assist pump
â€¢Metered oil change
system for engines, gear
& generator with quick
disconnect
â€¢Removable engine
room hatches
â€¢Seacocks, heavy duty
manganese bronze
â€¢Seawater strainers for
generator, air
conditioning and saltwater
wash down pump

Electrical Systems - Deckhouse

â€¢240V/120V AC input
and main distribution
panel with voltmeter,
ammeter, generator
controls, magnetic circuit
breakers and shore power
selector switches
â€¢24V/12V DC main
distribution panel with
voltmeter, ammeter,
magnetic circuit breakers
and batteries tester
â€¢Alarm Monitor: bilge
flood signal for four
compartments, black

water tank indicator light,
high-heat signal in engine
and machinery rooms
â€¢Electrical pump-out
for toilet holding tank
â€¢Fresh water level
gauge
â€¢Light fixtures, 120V
AC/ 24V DC
â€¢Radio and cable
television system with
antenna and shore
connection
â€¢Telephone jacks with
shore connection

Electrical Systems -
Galley

panel with magnetic
circuit breakers in console
â€¢12V DC flybridge
electronics accessory
panel with magnetic
circuit breakers in console
â€¢Alarm Monitor: bilge
flood signal for four
compartments, black
water tank indicator light,
high-heat signal in engine
and machinery rooms
â€¢Battery parallel
switch, remote
â€¢Ground fault circuit
interrupter receptacles in
console

â€¢ Main engine control panel

Electrical Systems -
Engine Room

â€¢ 24V DC batteries panel with switches for main engines and main battery disconnect switches

â€¢ 24V DC fuses for uninterrupted power to bilge pumps, fire and bilge flood monitors

â€¢ Batteries (4), heavy duty, 12VDC

â€¢ Battery chargers with thermal cutoff and switching system for complete integration and battery parallel system for main engines and generator

â€¢ Bonding system, galvanic and electrical

â€¢ Converters (2) 50 amp 24V

â€¢ GFI receptacles

â€¢ Isoboost

Transformers (2)

â€¢ Light fixtures, 120V AC/ 24V DC

Deckhouse- Salon

â€¢ Aluminum salon door with frameless glass

â€¢ Fixed frameless windows with tinted safety glass, forward, port and starboard

â€¢ Frameless windows with tinted safety glass, aft

â€¢ Entertainment center with 32" LCD TV,

AM/FM stereo receiver,
CD/DVD player, CD
changer
â€¢White Oak wood
paneling with padded
vinyl accents
â€¢Vinyl headliner
(Whisper Wall System)
â€¢Soft blinds
â€¢Sofa with storage
â€¢Cocktail table with
storage
â€¢120V AC receptacles
â€¢Air conditioning
electronic control
â€¢Carpeting with
acoustic padding
â€¢Central vacuum
system
â€¢Electrical distribution
panels
â€¢Lighting, 120V AC
and 24V DC

Deckhouse-
Galley/Dinette
â€¢CORIAN®
countertops and sinks
with sea rail molding
â€¢120V AC Sub-Zero
refrigerator (4.9 cu
ft./138lbs.) and freezer
(5.1 cu ft./144 lbs.) under
counter drawer type
â€¢Flooring, Amtico teak
and holly
â€¢Cooktop, four burners
â€¢Designer storage
cabinets
â€¢Dinette, J-shaped
with table
â€¢Overhead rod storage
compartment
â€¢Single lever hot and
cold faucet

- Storage cabinets & drawers
- Vinyl headliner
- Lighting, 120V AC

- Companionway
 - Carpeting
 - Central vacuum system
 - Flush panel doors to staterooms, starboard head and laundry locker
 - Lighting 24V DC
 - Awlgrip finished bilge storage compartment
 - Vinyl headliner and wall covering
 - Washer and dryer in locker

Master Stateroom

- Queen-sized berth with lift up storage beneath
- Mattress, foam with spread, pillows, and shams
- Sheets/pillowcases, one set
- Reading lights
- Hanging locker full height, lighted, cedar lined
- Full length mirror on hanging locker door
- Mirror aft bulkhead
- Built-in dressers with drawers
- Entertainment center with 19" LCD TV-AM/FM stereo/CD/DVD/MP3 player
- 120V AC receptacles

- Air conditioning electronic control
- Built in digital alarm clock
- Carpeting
- Lighting, 120V AC and 24V DC
- Vinyl headliner and wall covering
- Hullside Window

Port Guest Stateroom

- Berths, twin, off set with storage
- Mattress, foam with spread, pillows, and shams
- Sheets/pillowcases, one set for each berth
- Reading lights
- Hanging locker, cedar lined with automatic light
- 19" LCD TV, AM/FM/CD/DVD/ Player
- Air conditioning electronic control
- Built in digital alarm clock
- Carpeting
- Lighting, 120V AC and 24V DC
- 120V AC receptacles
- Vinyl headliner and wall covering
- Hullside Window

Forward Guest Stateroom

- Queen-sized berth with drawer storage beneath
- Drawers under bed (2)
- Mattress, foam with spread, pillows, and shams

- â€¢Sheets/pillowcases,
one set
- â€¢Hullside storage
lockers
- â€¢Opening hatch
overhead with shade &
screen
- â€¢Reading lights
- â€¢Upper cabinet
storage, port & starboard
- â€¢Entertainment center
with 19" LCD TV with
AM/FM/CD/DVD/MP3
Player
- â€¢120V AC GFI
receptacles
- â€¢Air conditioning
electronic control
- â€¢Built in digital alarm
clock
- â€¢Carpeting
- â€¢Lighting, 120V AC /
24V DC
- â€¢Vinyl headliner and
wall covering

Master Head

- â€¢CORIAN Â®
countertop and sink
- â€¢Flooring, Amtico teak
and holly
- â€¢Stall shower with
door & floor grate
- â€¢TecmaÂ® electric
toilet system (freshwater)
- â€¢Mirrored overhead
- â€¢Towel bar
- â€¢Vinyl wall covering
- â€¢120V AC GFI
receptacles
- â€¢Exhaust blowers
- â€¢Lighting, 120V AC
and 24V DC

Port Guest Head

- CORIAN® countertop and sink
- Flooring, Amtico teak and holly
- Stall shower with door & floor grate
- Tecma® electric toilet system (freshwater)
- Mirrored overhead
- Towel bar
- Vinyl wall covering
- 120V AC GFI receptacles
- Exhaust blowers
- Lighting, 120V AC and 24V DC

Coast Guard Mooring and Safety Equipment

- American flag
- Bertram burgee
- Docking lines braided nylon
- Fire extinguishers, portable
- Fog bell, 8"
- Life jackets (8)
- Life ring
- Owner's manual

Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change,

or withdrawal without notice.

The impact of the classic Bertram 54' was distinctive in the marine industry became one of the most sought after Bertram models over the years. The new 540 is the quintessential sport-fishing machine, maintains the features of the classic 54', and introduces new innovative elements to a sport fish craft. The result was a yacht that delivers ultimate steadfast performance and sea keeping ability of a fishing vessel combined with the ultra luxury and comfort of a cruising yacht.

Aside from its incredible seaworthiness, this new model offers new attributes to enhance the cruising experience. Undoubtedly, the most striking new feature is the forward wrap around window that provides breathtaking views of the surrounding waters and allows for an incredible amount of natural light to shine through the interior of the yacht. The ambiance created from these windows and the open salon layout provides a unique

experience for entertaining on the open water. Port and starboard stateroom windows also lend to added natural light and exquisite views of the sea. These state of the art windows are made of multiple layers of glass and are both tested and designed exclusively by Ferretti group's Advanced Yacht Technologies. They are engineered to hold up to the roughest sport-fishing conditions and are actually reinforced with directly into the fiberglass hull, contributing to the overall hull strength and design. The open view layout of the new 540 is radiant with white oak, which provides an elegant richness and enhances the natural light that enters the salon. The galley area features a beautiful open bar area to facilitate movement between the salon and the cockpit entry way for a more open entertaining and dining experience. An innovative retractable aft cockpit window, which recedes down into the bulkhead for easy pass through of drinks and food was also added between the cockpit and the galley. Many other elements were incorporated into the design of the new 540 to

enhance the overall ease of use and to provide the ultimate entertainment experience for all of those aboard. Stereo sound systems were integrated into the bridge, salon and cockpit featuring iPOD connection for quality sound and easy control from any location on the boat. Additional amenities such as LED lighting, 12 and 110 volt outlets and extra cup holders were added for a more comfortable, modern day experience. Also, appliances and components were selected for their ease of serviceability for both U.S. and European markets.

Outfitted as an extreme fishing machine, the 540 is also streamlined with features that adhere to the needs of the true fisherman. This yacht features underwater exhaust and maximized storage space to hold up to 25 fishing rods.

Additional tackle storage is incorporated into the mezzanine along with a baitwell and freezer. The transom fish box can also be converted into another baitwell or icemaker with ease. The fish boxes on the cockpit floor have been made larger and deeper and are now

placed on each side of the
fighting chair for easier
access from the transom
door.
