Flybridge

The enclosed flybridge on HOOK 'EM is truly unique. Entering via the half-circular staircase from the port forward corner of the salon, you immediately notice the Captain's Quarters, which is separated from the rest of the bridge by a private door. There is a complete electronics suite, with some upgraded and refurbished equipment. There is ample redundancy in the electronics in the event that an instrument fails while underway. The bridge has good visibility of the bow, peripherals, and the stern - if operating the boat from the aft helm station on the bridge deck.â€¢Rose colored granite countertops
â€¢Ample cabinetry below
â€¢Beige ultra-leather setee with seating for three (aft and to starboard of helm station)
â€¢Valance A.C.
â€¢Valance lighting

Engine and Mechanical Equipment

This is the only 82'
Hatteras Convertible
currently available which
features the Deutz power
package, which is a
significant upgrade. At
1,430 RPM, the HOOK
'EM will comfortably
cruise at 22 knots, while
her top end is 28 knots at
1,800 RPM. The engine

room and both motors
have just undergone a
complete paint job,
completed in 2010. In
addition, the controls have
been replaced by
single-lever ZF Electronic
controls at the flybridge
helm station, tower, and
aft bridge deck station.
This work was completed
in April 2010.â€¢Deutz
2450's
â€¢Twin ONAN 35Kw
generators
â€¢ZF electronic controls
(4/2010)
â€¢ZF Transmissions

an offset stainless steel
pedestal
â€¢Storage locker with
sliding cabinet doors (port
forward bulkhead)

Safety and Fire Protection
â€¢8-Person GIVENS
life raft (on hardtop in
cradle)

Remarks

HOOK 'EM is a true
high-performance fishing
machine with a legendary
Carolina Bloodline. This
"Yacht-Fisherman" is
equipped with all the
amenities one would find
on a 100'+ motoryacht.
HOOK 'EM is massive in
every sense. Foremost are
her twin Deutz Diesel
Engines boasting 2,450 hp
each, generating her
optimal cruising speed
around 25 knots. This
vessel is the only 82'
Hatteras currently on the
brokerage market which
has this optional power,
which is a significant
upgrade. the boat has
undergone a full Awlgrip
exterior paint-job by Luu
Marine in Ft. Lauderdale,
as well as numerous
cosmetic and
mechanical/electrical
upgrades. Perhaps the best
example of this is the
addition of frameless
windows on the house and

flybridge, which gives the boat a more modern look. This truly sets the HOOK 'EM apart from your run-of-the-mill large Hatteras yachts of this vintage. Her interior is equipped as a large motoryacht, while on her exterior, HOOK 'EM features a full tournament fishing package. This boat holds 4,500 gallons of fuel which gives the HOOK 'EM the ability to take you to the world's best fishing grounds in total luxury, all while enjoying the famous Hatteras bluewater ride.
