Prop

This Mason 33 is in Bristol Condition. Her systems have been continuously upgraded.

"Snow Goose" was commissioned late 1987 and has been sailed only in fresh water. The yacht interior lends itself to serious offshore sailing but also offers the spacious accommodation required by live aboard owners. Joiner work is extensive and equiste with well over 6000 man hours of labor.

Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this

information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Mason 33 one of Al Masons finest designs. The ideal cruising boat for true ocean sailing or inland Great lakes. This treasure has to be one of the finest 33' boat ever built by the Tashing yard. Her beautiful interior reflects the extreme labor that can only come from the Far East. This fine vessel has only been in fresh water and had only two owners. Commissioned '1987 For more details contact:
