Manufacturer Provided Description

Comfortable, powerfull and stylish, the Antares 13.80 brings genuine navigation pleasure together with a seaworthy and safe behaviour. She carries the latest, hi tech innovation in comfort for easy life aboard . Inside, the fabrics, aluminium, woodwork and colors have been choosen and harmonized to match the most prestigious motoryachts standards. Her two very low hour turbocharged Cummins engines allows a smooth and pleasant ride and a particularely low fuel consumption at cruising speed (17 knots), while allowing a 30 knots plus max speed at full load.
