The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. This Sea Ray 340 Sundancer is a roomy mid-cabin cruiser that feels bigger than it is due to the very open cabin layout. Very large and extremely spacious cockpit, ideal for cruising or entertaining with friends and family.

This boat has sleeping accommodations for six people. A boat of this size gives you a private aft cabin and a forward stateroom open to the main cabin.

The cabin layout includes the dinette to the starboard and a small galley to the port side.

The transom door and swim platform make getting onto the boat, and in and out of the water, a breeze!
