Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. VERY NICE 2003 SKEETER ZX225 Yamaha
VMax HPDI Power & MATCHING TRAILER!
BOW PANEL CONTROLS! TROLLING MOTOR!
READY TO FISH!!

The ZX is the model that pretty much put Skeeter on the map. Great design, smooth lines and good reliability and performance are all words used to describe these boats. The Yamaha HPDI 225 HP engine has all the get-up-and-go you'll want to get to your favorite fishing spot and back to the dock for weigh-in in short order.

The Minn Kota trolling motor will help you slide in and maneuver while focusing on the fish. Comfy seats and the low-profile cockpit keep you tucked out of the wind as you're skimming down the lake.

The matching trailer has disc brakes helping you stay in control on the road and you'll look good at the same time - really sharp setup.

The seller has moved up to two larger boats and just doesn't need this one any more. It's been kept under cover and the finish looks nice and bright. Warm weather is here - it's time to get on the water and catch some fish!
