Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

1998 GRADY WHITE 228 SEAFARER
WALKAROUND YAMAHA 2 STROKE 225HP
2004 MAGIC TILT TRAILER

1998 Grady White 228 Seafarer G model.

This vessel is powered by a 1998 Yamaha 2 Stroke
OX66 model engine.

Grady White comes with years of quality and are
known for their ability for a stable ride.

This 228 Seafarer can check a lot of boxes for the
avid fisherman, the family that wants to enjoy the
water, or even the owner that wants to take sunset
cruises.

This vessel has the forward cuddy with v-berth, small freshwater sink, and porta-potty. Perfect for taking a nap, avoiding nasty weather, or using the restroom when out on the water all day.

There is plenty o room for 4 adults to fish from the rear deck and stern. This area also allows for that record catch to be hauled in.

The rear deck can also fit four deck chairs when wanting to cruise the waterways, when running off-shore this space can also fit marine bean bags to soften the ride.

Nice size swim platform as well.

Although this is 3rd owner vessel, the current owner has all the original books and also a folder full of the service history.

Reference the trailer the current owner had completely re-built by a very reputable trailer company in Charleston in 2018.

The seller also in 2021 had the trim motor replaced, the complete switch panel and wiring redone. (shown in pictures) Recently added Lowrance unit and marine radio onboard.

The Yamaha gauge shows around 203 hours, the seller believes that was somehow reset prior to him purchasing, unknown total hours on the engine.

When this boat was ordered, several of the additional features were also added to the vessel, a huge feature with this listing, having the auxiliary fuel tank, total capacity is 148 gallons, (92/56) two tanks. Also the 10 gallon fresh water feature was added.

The seller does have a full cover for the vessel as well.

We are looking for people all over the country who share our love for boats. If you have a passion for
