	12 ft beam. Twin V drive 350 Crusader small block V8 engines with 460 hours. New Interior Carpet 2017. New Camper top frame and canvas 2018.	
	The appeal of the 336 for today's used-boat buyer lies in her unique interior, comfortable ride, and sturdy construction. Inside, The Ultra Vee's mid cabin is actually the master stateroom with partial standing headroom, a privacy door, and direct access to the head. A completely innovative floor plan made possible by her elevated helm seat.	
	A total of eight opening hull ports and three deck hatches provide excellent cabin ventilation, and headroom in the galley area is well over 6 feet.	
	In the cockpit, bench seating is built into the transom and twin removable hatches in the floor access the engine compartment. Visibility from the raised helm	

seat is about as good as it gets in a boat of this type.

Built on a modified-V hull with prop pockets, twin 350hp gas inboards cruise at an easy 20 knots and reach a top speed of 28-30 knots.
