About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

***** CERTIFIED SINGLE
OWNER *****

This 2018 Kingfisher Falcon 1825 is located in Port
Moody, BC. Only 104 Hours hours on Engines!

is recently loaded with options and she is ready to
fish! Best equipped boat out there! Don't wait weeks
or months to buy this one, it's turn-key ready for
you.

Kingfisher are great boats, well built and known for
their quality. These boats ride great even when the
weather turns rough.

Economical for long range cruising with 6.5 mpg at
cruise 48k m/h, max 72.5 km/h. That would make
the range 300 km with auxiliary tanks. Travel
Vancouver to Nanaimo in 45 minutes for a cost of
only \$36.

A Tohatsu Sail Pro kicker with remote steer/throttle/shift controls is included.

Electronics included in the asking price are Simrad Forwardscan dipping sonar transducer for shallow water navigation, Lowrance downscan transducer/fishfinder, B&G Zeus2 12\'' Chartplotter with 2020 BC Platinum maps fully networked including satellite overlays, NSS 7 EVO 2 Secondary Chartplotter fully networked.

The boat has 8-port Ethernet and dual band Wifi onboard with an ultra low power router.

There is a 4K waterproof bow camera with WIFI and 12-hour record capability at 4K/30fps. Also, low light night vision with wifi capability and a 10.1\'' Android tablet for night vision/bow cameras with on board charging/GPS and backup chartplotter maps for USA/Canada. The rear wide angle & rear waterline and passenger cameras are also linked to chartplotters.

The NMEA 2000 network connects engine, chartplotters, heading sensor and radar integration (two slots free for future expansion).

The VHF radio with AIS linked to chartplotter via network. A handheld VHF with aeronautical radio bands and onboard charger is included.

Finally the Debon Bluetooth music system is part of the full electronics included in the asking price.

For safety and emergency, there is a two-person self inflating life raft with survival kit, a fixed-mount searchlight with eight USB sockets through the boat.

Batteries are upgraded with 103AH NorthStar AGM battery with multiple Blue Sea Dualbus hubs and Victron BMV-712 Bluetooth Battery Management System.

The EZ Loader trailer is upgraded with extra heavy duty big wheel jack and side loading guides and a

spare tire with carrier.

The cockpit is arranged with six seats including Captain's chairs with suspension seating for the two front seats.

So much more is selling with this Kingfisher:

- Rocna anchor system with removable drum for chain and line storage.
- Electric trolling motor with wifi controls swappable for forwardscan sonar.
- Interior EVA Foam decking throughout.
- Para sea anchor ocean safety system installed.
- Gas fueling vent canister included for preventing fuel overflow when refueling.
- Twelve volt generator (honda with Bosch alternator) permanently wired in.
- Two x 50W mono-crystalline solar panels with waterproof Renogy charger permanently wired in.
- Hailer with digital PA/horn and readback integrated into VHF radio.
- Five Scotty mounts with various accessories included including table, anchor, rod holder, crab winch etc.
- Auxiliary gas tank, spare factory prop and fuel pump.
