The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. POLE!!

Get ready for fishing this season!!

This 2020 G2 1610 Sportsman is already equipped for serious angling. The boat is powered by a Yamaha 70 HP 4-stroke engine mounted on an Atlas Jack Plate. The 70 was the max horsepower for this model. For the shallows, the Minn Kota 24v trolling motor is at the bow and this boat has a power pole shallow water anchor.

The Sportsman's aluminum hull is just right for

stump-bedded shallows where the fish are, and also handles the bays with its modified-V and Yamaha power. The boat is set up with two pedestal seats and a nice big casting deck with a live well and rod storage.

The 2020 Bear trailer is included with the boat sale.
