Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. THE 1980 CASCADE 27 IS THE PERFECT SIZE  
CRUISER TO SAIL THE SOUND AND  
BEYOND!!

The Classic 1980 Cascade 27 was originally built in Portland, Oregon, and encompasses a piece of Northwest History. Cascade Yachts was founded in 1954 by a group of sailors that were experimenting with fiberglass hull construction.

The 27 foot Cascade has a lot of upgrades that include all new rigging along with a new custom fitted Pineapple Main Sail. You'll enjoy the large aft cockpit while you take control of the beautiful pilot wheel that includes ample seating for family and friends.

Set up for single-handed sailing, the winches, lines,

main sheet, and halyards are easily accessed from the cockpit.

The cabin has room to relax with comfortable seating and a small galley and head. The Cascade is the perfect size for daily cruising or those long bucket list adventures.
