Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Hardtop! Yamaha 200 with only 90 hours! Yamaha 9.9 kicker! Minnkota Terrova I pilot 112! Air wave seat pedestals!

The sporty 210 Revolution is a hybrid sportfishing vessel and family runabout. Unusually roomy for a 21-footer, it features comfortable seating for 6, bow and floor storage, plus plenty of rod holders, a live well, and a tackle rigging station. It has tall 38" sides, a wide 6' 6" bottom width, a reverse chine hull, a 14" transom deadrise, and a 30" bow deadrise, giving you a smooth, stable, and dry ride. The Outback outboard bracket and full-width transom make this hardcore fishing boat seaworthy, spacious, and secure.

Hanging on the back is a super low-hour Yamaha 200 hp 4 stroke motor with all hydraulic steering,

plus a 9.9 Yamaha kicker with power tilt/trim and helm steering. It also has a convenient folding ladder welded to the swim deck. Thanks to a 65-gallon fuel capacity and the economical ride, you won't be limited to short trips -- so now, longer excursions are fathomable.

Electronics include a Minnkota Terrova I pilot 112 with a 72-inch shaft and lithium-ion batteries. Lowrance HDS 12 and HDS 9 are linked together. Plus a VHF radio with a long-range 60-mile antenna.

To keep you comfortable underway the seller installed a pair of airwave seat pedestals. It has a full hardcover with an enclosure, and also a mooring cover.
