Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. Beautiful Bayliner 3888 Motoryacht, powered by
twin Deisel engines, Perfect for the family

This Bayliner 3888 Motoryacht offers a great design
at an affordable price point and spacious flay-out.

The vessel features two staterooms, each with
storage and hanging space. There is an adjoining
shower/tub with the forward stateroom having a
private sink and toilet.

The galley only two steps down from the salon area
has a large refrigerator and dual stainless sink, a
large salon with a wet bar and convertible dinette
and a large rear cockpit and swim platform.

Dual helm for navigating in any weather!

A large flybridge could comfortably seat eight

persons and makes a great gathering area with guests aboard.

Power is supplied by two 175-horsepower Hino diesel engines. There is not an hour meter on the vessel, unable to even estimate hours on the engines.

The fuel capacity is 300 gallons with a burn rate of 4-5 gallons an hour. Plenty of range for cruising the Loop, the ICW, or even coastal waters.

The boat has been well maintained over the ownership of the previous owners.

The current owner has owned it for over a year, had engines serviced and also replaced the forward HVAC unit. The owner has the bottom regularly cleaned by a diver.
