Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

This 1982 Trojan F 32 is nothing short of
spectacular, one of her generation's best convertible
sport fish hulls.

With an overall length of 36 feet and a beam of 13
feet weighing in at close to 13,000 pounds, she is a
very capable Bluewater boat.

Starting with her wide expensive cockpit that easily
configures for cruising or fishing, she has plenty of
room for deck chairs or fighting chairs. Up on the
flybridge you will find a hardtop electronics box and

seating for five comfortably with a commanding view of where you are going or watching your lines behind a boat for the big strike!

Entering the cabin from the sliding door you will find a wide open salon with a convertible futon couch to the port side, a wide-open space on the starboard side. A second station with all controls to run the boat from the inside is just forward on the starboard side.

There is a full Galley down configuration on The portside and a full convertible dinette to the Starboard side that sleeps two adults comfortably. . Continuing forward there is a full head to the port side with marine toilet and shower and a forward stateroom with a huge bed that sleeps two comfortably.

Engine room access is through the salon floor with a pair of twin marine power 5.7s that move this boat along comfortably at 3000 RPM turning up 20 knots.

Don't miss this opportunity to own a convertible sportfish that sleeps six comfortably and is blue water capable!!
