About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

SALE PENDING Popular Chaparral 206 SSI
** LOW HOURS ** WELL MAINTAINED **
Stored on Lift **270 HP !!

This 206 SSI is a great LOW-HOUR bowrider that
will provide FUN for the whole family !!

Chaparral boats are well known for their Kevlar
reinforced hull construction and their Extended
V-Plane Performance

Chaparral states \"because our boats stay on plane at
slower speeds, fuel economy is improved while
towing wakeboarders. And you won't find a quicker
planing V-bottom. When you are carving a hard
turn, the chines, keel and strakes are precision
engineered to work in harmony to create the most
controllable ride possible. Finally, no matter how

many passengers are onboard, our full length bottom adds stability while wakeboarding, diving, fishing or swimming.\"

Step aboard and you notice a nice-sized swim platform with a concealed swim ladder as well as stereo controls.

A unique sun pad provides a flip-up lounger and walk-through access to the cockpit so you don't need to step on the upholstery. The cockpit provides an L-shaped rear lounge bench seat and two comfortable seats forward for the Capt and Companion. The seats have flip-up bolsters so you have a great view of the water. There is storage under the bench seats as well.

The helm is well arranged with a full set of gauges and a compass. The companion seat features a glove box forward for added storage. There is also a very large in-floor ski locker for all your gear

A walk-through windshield provides access to the forward bow seating area. A filler cushion turns the area into a large sun pad forward. There is storage beneath the seats and a dedicated anchor locker at the bow.

There is a cockpit bimini top and cockpit storage covers.

The owner has kept this boat on a lift during the season and stored on the hard in the off season.

Powered by a Volvo Penta 5.0L GXI with 270 HP, this boat will REALLY MOVE !!

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
