Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Whether you're looking to own a boat for the first time, or looking for one of the smaller ski/wakeboard boats that's very capable of delivering both a solid, steady wake for slalom skiing or throwing up a respectable ramp for wakeboarding, look no further than this Tige 21i.

With seating for 9, this boat feels a bit larger than its 21 feet. A storage locker under the aft sun pad offers a good place to store skis and gear. A cooler built in under the passenger seat offers another way to keep your drinks cold without throwing a cooler on board.

The stock stereo system with CD player keeps the tunes up for those slalom days. The blue powder-coated bimini tower with a top-mounted wakeboard pylon has side storage racks for boards.

With no ballast system on board, the TAPS plate does a great job making the wake that you'll need for the day.

Tige built the 21i to track straight, ride smooth, corner deftly and most of all, offer full days of fun for the entire family.
