Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

250 HP MERCUISER! GREAT RUNNING
CONDITION, TRAILER INCLUDED!!!

This 2000 Bayliner 2455 Ciera has an open-air cockpit and helm and is powered by a 250HP Mercruiser. Included is a dual-axle trailer.

The boat comes with a retractable Bimini top for shade. Sun lovers will also like the l-shaped sunlounge.

It has a pivotal backrest that permits you to sit facing either forward or aft or it can be folded flat to create a full-length sunlounge. In addition to the driver's bench, there is a folding bench seat along the transom. A removable table turns the aft cockpit into an entertainment center.

The boat has a walk-through transom door to the

swim platform for ease of boarding. Access to the foredeck has built-in steps on the dash console. Molded-in toe rails on the foredeck lead to a recessed area at the forepeak for safe and convenient handling of lines. In addition to an anchor locker, the boat has chocks to prevent the lines from chafing on the deck.

There is plenty of stand-up headroom in both the cabin and head. The enclosed head also features a screened window. Stowage space abounds on the boat so you should have no problem bringing along everything you need and then some. There is even a removable trash can located beneath the hinged step from the cockpit to the cabin.
