The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Gorgeous wakeboard boat! Includes fitted cover and
bimini top!

This 2015 Tige Z3 is a 24' ski/wakeboard boat
located in Terrell, Texas.

Built in Texas, Tige has gained a reputation for
building quality, competition-grade tow boats and
this one is quite stunning in its unique black and
yellow color scheme.

Powered by a beefy Indmar Raptor 400 V8 engine,
you have all the power to haul around a full crew
and achieve great wake performance at the same
time.

You will find all the latest in wake surf technology
at the touch of a finger on the user-friendly color
screen where you can set surfer profiles, set perfect
pass and monitor your boat's performance.

The large foldable wake tower gives you lots of wakeboard storage capacity and the large bimini will help keep you cool on hot days on the water.

The custom boatmate trailer matches the boat perfectly and has large side steps to make entry and egress easy when the boat is out of the water.

If a killer wake is calling your name and you need a premium boat to do the heavy lifting, this Tige Z3 is a great option.
