Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

275SS powered by a 6.2L Mercruiser Engine, Bravo
Three Outdrive with Dual Props!

Looking for a great bowrider for family fun on the
water? Look no further than this freshwater-only
2018 Crownline 275SS.

This model is perfect for your family and will get
you up and on plane quickly and smoothly. It has
great features that your family will enjoy like the
built-in ice box that is great for entertaining or for a
quick drink on the go. Another unique feature is the
private head compartment with sink and shower.
Cushioned seating throughout makes for a
comfortable and relaxing day while you and your
guests enjoy the day on the water.

In the bow, you will enjoy the roomy seating. There
are grab rails and stainless steel cupholders

throughout. The moveable armrests, bow lounges, and table are all great features. The removeable table can be used in both the bow and stern of the boat-great for entertaining on the water. At the bow of the boat is a deep anchor storage locker. The two stereo speakers at the bow of the boat provide great sounds of your favorite music for a fun day on the water!

At the helm you will enjoy the captain's chair with bolster, a well-appointed helm with clear gauges. Listen to your favorite songs on the water using the Bluetooth stereo. The walkthrough windshield is great for quick access to the bow, and when closed it keeps the cool air off of you plus the bow door will make your drive more enjoyable as you hit high speeds on a windy day.

Nice features in the observer's area are the deep glove box and the mounted radio that is protected from the weather. The observer's seat can be turned around to face the water - a nice feature for water sports.

Your passengers will sit comfortably on the U-shaped lounge in the stern of the boat with plush cushioned seating. The seats at the stern of the boat can face either direction.

When you're ready to swim, the integrated swim platform makes for a quick entry into the water located at the stern of the boat. The swim platform and pull-down ladder make getting back in the boat easy! Get a break from the sun on a hot day with the black bimini top. The snap-down bow and cockpit cover to keep the interior of the boat out of the weather as well.

This boat is powered by the Mercruiser 6.2L engine that delivers 300 horsepower, and has a Bravo three outdrive with dual stainless steel props that delivers torque to get you going and is great for skiing and tubing.
