Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

EXCELLENT CAYMAS LOADED WITH
FEATURES. HUMMINBIRD ELECTRONICS,
MINN KOTA TROLLING, READY FOR THE
WATER.

This 2022 Caymas CX19 is a 19' 9" bass boat in
Alba, Texas.

Designed and manufactured by the legendary boat
builder Earl Bentz, the Caymas brand has quickly
become synonymous with superior quality in
tournament-ready bass boats.

This model certainly falls in the 19' category but
compares better to a 20 to 21' model when
considering the entire 8' beam with the almost 20'
length.

This seller has stated that is what drew him to this model and that the stability is unmatched by any other sub 20' boat he has owned or used.

Outfitted with a Mercury Pro XS 225 HP 4-stroke outboard. Power will never be an issue.

Humminbird Helix 12 is at the console, and the seller is including a Humminbird Helix 9MDI for the casting deck.

Great control from the included hydraulic jack plate and a hotfoot gas pedal adds to the performance cache.

Stay on your fishing spot easier and longer with the included Minn Kota Ultrex 112 lb. thrust trolling motor with i-Pilot and spotlock technology configured in a 36-volt setup.

If you want a tournament-ready boat with great technology and a legendary, proven hull design, this Caymas CX19 is your rig!
