Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Atlantic trawler with many upgrades, Detroit 471's,  
ready to cruise.

This 1983 Atlantic Long Range 47 is a handsome  
motor yacht which back in her day was among the  
most luxurious on the water. She is well designed  
and well laid out and her quality still shows today.

Her Deep Modified Vee along with her wide beam  
and shallow keel give the Atlantic 47 a smooth and  
comfortable ride while her twin Detroit Diesels push  
her nicely at a cruising speed of around 10mph  
topping out somewhere around 15 mph.

Two of her three staterooms are well laid out and  
cozy with two private heads. The master head rivals  
any home residential bath. The third stateroom has  
been converted into a laundry, utility room. The  
galley is well equipped with modern electric  
appliances and the \"C\" shaped dinette has recently  
been reupholstered.

Additionally she comes with two salons including the enclosed aft deck whose dimensions are considerably more generous than most other motor yachts her size turning her afterdeck into an air-conditioned roomy salon.

The upgrades and updates as well as standard features are too many to list but include a 400 gallon oversize freshwater tank, 600g diesel tank, 50g blackwater, new LED TVs, LED lighting, LED accent lighting, Dingy with 20hp electric start motor, electric appliances, new upholstery, new canvas, new furniture, new batteries, 3000 watt inverter, washer & dryer, ice makers and much, much more.
