About Us: POP YACHTS SALES
Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Great condition 2023 YAMAHA AR190 JET BOAT
WITH LOW HOURS!

Why buy new when you can purchase this lightly used Yamaha AR 190 jet boat? The boat is powered with a 1.8 liter 4 stroke 16 valve high output jet drive engine.

This bowrider boat has plenty of seating up front and aft. The bow seats all have deep storage inside, and there's even a compartment under the forward bow seat for storing the anchor. The bow seating is in the usual configuration, with dual lounge seats to either side, providing an excellent forward-facing vantage point.

The cockpit is the main social area of the AR190. Wraparound seating runs from the port console all the way around to the helm chair, and the seating is not interrupted by any permanent walkthroughs to

the transom. Removing the center seat cushion exposes a step to the transom when access to the swim platform is desired.

The console is a soft gray with a gloss surface. Two gauges reside in the upper panel, a speedometer and a tachometer. The tachometer also has a digital window providing selectable information that can be scrolled through with a push button.
