	SALE PENDING 180 Dauntless powered by a 150HP Mercury motor with only 18 hours. Transferable warranty through 2029!	
	The 2021 Boston Whaler 180 Dauntless is a very versatile boat, suitable for fishing, skiing, and other water sports. The boat is powered by a Mercury 150 HP four-stroke outboard engine with only 18 hours.	
	This BW was custom-built for the current owner to provide a vacation getaway during COVID.	
	The seller says the boat is good for any water activity but has not been used for fishing yet. He only used it to tow an inflatable and kneeboard.	
	The boat is equipped with the sun lounger bow package that fills in the bow. This package fills in the center of the bow area with cushions for	

lounging but is not shown in the pics. It seats 8 people the way it is pictured without the bow package.
