Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

LIVEABOARD/CRUISER!

1984 Catalina 30

This classic designed Catalina 30 is a well-known and beloved sailboat for many years! The sellers have enjoyed sailing her, they are moving up to a larger sailboat. Her 5' 3" draft is great for offshore cruising and allows for easy coastal cruising as well.

The Catalina 30's interior is spacious. The 10' 10" beam allows for comfortable accommodations, making it ideal for extended trips or liveaboard sailors. The cabin has a well-appointed galley, with a double sink, stove / oven, and nice storage drawers and cabinets. The salon has seating and dining areas with plenty of storage underneath.

There is more-than-ample headroom and you can move about easily. This Catalina can sleep 7

comfortably. The head has been replaced and has a sink, opening ports, and a wall-mounted shower.

The 25 HP Universal diesel engine runs great and has been maintained by her owners.

The cockpit is roomy for your crew and has a nice bimini that can be deployed for additional sun protection.

This Catalina 30 is in good condition. She is ready to sail when you are. The jib is a recent addition and the main was replaced in 2006.

There is a solar panel and controller to keep the batteries topped off.
