NEW  
CONSTRUCTION...This  
75 is built by the Heysea  
Yacht Company that was  
founded in 2004. One of  
the largest builders of  
fiberglass yachts in China  
whose founders and  
management team have  
more than twenty years of  
experience in boat  
building.

If you are looking for a  
contemporary and  
comfortable vessel with  
state of the art features,  
you need to consider her.  
As a new build you have  
the opportunity to  
customize her the way  
you like.

Price listed is FOB China  
for a completed boat with  
standard engines and a  
semi-custom interior.

Contact us today for  
additional information  
about custom ordering the  
Yacht of your dreams.
