Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. GREAT HANDLING,
EXTENSIVE
UPGRADES

Solid built Seafarer 34 Sloop with a newer Yanmar diesel inboard, nice options, good sails, and room for 5 to sleep. Nice open cockpit and plenty of headroom inside the cabin.

The helm features a Garmin 541 color GPS and auto-pilot. The wide beam and multiple windows give the interior and open feeling with dark natural wood.

The galley has lots of storage, a 2-burner propane stovetop, and a freshwater sink. All the hatches are in great condition as well. The bottom paint is about a

year old and is cleaned regularly.

Exterior and interior wood gives a beautiful look and the classic lines have tons of character while cruising or tied to the dock. Upholstery has all been replaced and I didn't note any tears or stains.

Sails well and handles rough water like a champ. Turns on a dime!
