I just quit my restaurant management job and took a job in Chicago come March. Looking to sell my boat which I currently live on. The boat has 2 360 inboard mercury engines . Engines have been replaced and newer, only 120 hours. I have surround speakers set on both levels and sound controls hooked up in the vbirth bedroom, main room and upstairs by the wheel and throdle. Blue nightlights outside. Radio marine Cb works. Cook stove, fridge, huge couch, double bunk bed, vbirth bedroom, all lighting on dimmers, dive tank station on the back.. look up prices on other silverton boats 1993 and they are going for more. Come check it out :)central air is freezing !
