Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. This is a great example of the 2014 Zodiac
Bayrunner Pro 650.

The owner really enjoyed several aspects of this
Zodiac. At about 80 hours of usage, the low-hour
Yamaha 115 HP 4-stroke engine gives the Zodiac
great cruise speed at 40 mph with a top cruise of 53.
The Jensen Bluetooth-enabled stereo system
provides the entertainment for up to 5 passengers,
whether they're on board for a cruise, fishing, or
some skiing.

The Garmin GPS system gets you to your
destination with easy-to-use accuracy. And, those

passengers have seating choices: Bow seating on both sides, a transom bench seat for two, and two cockpit chairs including the helm seat.
