Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

SALE PENDING This Aluminium
Freshwater house boat has everything you need!
Well cared for both inside and out!

A solid-built freshwater aluminum houseboat. Same owner for the last 20+ years. Very solid foundation for whatever you can dream up, or cruise it as is. All aluminium decks and roofs are solid when walked upon, and appear to be in great shape.

Lots of room, full galley, and stand-up shower in head. recently re-carpeted.

Custom, hi-powered stereo system wired throughout the boat.

The boat was originally equipped with twin Iveco 100 hp Diesel V-Drive inboards. In 2002, when the Iveco engines became tired and obsolete,

they were replaced with Honda BF-90A four-stroke outboards.

A custom-made aluminum outboard transom bracket was also professionally fabricated and installed. And, dual helm Honda controls and gauges were added to upper and lower helms.

The original Westerbeke 10kw diesel generator was retained in place, and the Iveco engines were removed.

The boat also comes with a custom built steel framed, triple axle yard trailer, that is used to launch and pull boat from ramp.
