The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

Famous Grady White SeaV2 hull design for a drier more comfortable ride in rough water and stability when trolling and anchored or moored. The hull is a sharper v at the bow and gradually changes to a flatter profile forward the stern. Therefore the bow cuts right through the wave while the transom keeps the boat steady.

A small cuddy cabin provides a spot for kids to nap and get out of the weather or an overnight stay by an adult or two.

The wide-open cockpit provides plenty of room for up to 8 adults to hang out and enjoy the sun. Protective bow rails open up the front to guests and help keep them on board.
