Custom built trimaran! Designed to get on the water
and cruise!

Arthur Piver Trimaran design, custom-built by two
owners: the first owner completed the hulls and the
second owner completed the connecting \"aka's\",
the cabin, and everything else.

Sails are older but have not been used much and are
still in great shape. Includes 2 mains, and 2 jibs!
110% Genoa was new in 2017! Also includes a
spinnaker that was not used at all by the owner.

There is a fridge, stereo, and a ship-to-shore VHF
radio.

Evinrude outboard is a 15HP with low hours. There
is no hour meter but the seller says it is definitely
under 100 hours on this 2 stroke motor.

The owner states that she moves well on the water
and everything is in working order!
