Awesome Wahoo 1750 Offshore, single-owner boat with a 90 HP Mercury engine!

This 1995 Wahoo 1750 Offshore Bay Boat has a lot of life left in her and is looking for a new home! She needs a good cleaning and a little TLC but looks like a fun little project and it won't take much to bring her back to life.

The 17-foot bay boat is a single-owner boat with a 90 HP Mercury engine. The Mercury, along with the boat, has been under cover for the past 10 years and has not been cranked but is reported to have had low hours and running strong when put away 10 years ago.

Weighing in at only 890 pounds the owner reports the 90hp engine will push her along at over 40mph!
